PRIMARY PRODUCTS

ZoomAway Inc.'s package reservation and booking platforms combined with a team of industry experienced professionals, enables ZoomAway to maintain a deep understanding of the ever-evolving travel, recreation and activities markets.

White Label

The ZoomAway "White Label" technology platform allows host clients to perform all of the direct to consumer marketing and booking functions.

- Maintains the client visual brand and brand position.
- Seamless and scalable to insure successful on-line customer purchase experience.

Reservation Management System (RMS)

The ZoomAway RMS is a cutting-edge Technology Platform that allows large groups, conventions and sports teams to conveniently reserve and book everything from lodging to activities and events.

A tool for organizers and participants to accurately reserve, book and track lodging, activities, event and meal needs.

REVENUE MODEL

ZoomAway derives revenue from negotiating and contracting significantly discounted wholesale rates for Lodging, Activities, Attractions, Recreation and Events.

Bundled and Discounted package sales direct to consumers.

Recurring revenue with higher gross margin

- **White Label** – Hotels, resorts and activities providers embed ZoomAway Technology Platform to fulfill "packages" from their websites.
- **RMS** – Fee and transaction based registration tool allowing for on-line reservation and booking by private and corporate group participants.
- **Groups** – Client base, retail and sales team all generate leads for group bookings and outings.
- **Retail** – Growth and regional expansion continue to deliver additional direct to consumer inventory and sales channels.

EXPANSION STRATEGY

Phase I: Arizona (Phoenix, Scottsdale), Southern California, Palm Springs, San Diego), Pacific Northwest I5 Corridor (Bend, Portland, Seattle), West Coast Ski (Park City, Vail, Aspen, Telluride, Breckenridge, Jackson Hole), British Columbia (Vancouver, Whistler/Blackcomb, Victoria).
